CLIENTS WE WORK WITH:

"I had the pleasure to work with Zack when I was on my search for a new job in my career path. I am thrilled to say that Zack not only assisted immensely well, but became a good friend in the process. He doesn't only care about finding you a job where you can thrive, but he cares about finding you that dream position where you will become that better you! So look no further, you've found your guy!"

Christian Santori,
Senior Technical Artist,
Magic Leap

"Zack helped me during a crucial moment in my career, being respectful of my time, very friendly, and receptive to what was my feedback and needs. He was always full of contagious positive energy, preparing me for what was ahead. I would recommend Zack as a recruiter any day!"

Luca Uccellatori
Lead Game Designer,
AntiMatter Games

"I had the great fortune of being in contact with Zack, he is talented, friendly and makes the job research easy and smooth. He would definitely be a great resource for any company that is searching for employees."

Michael Trabona
Senior Rigger,
Brown Bag Films
